FYI
First Year Initiative is a chance for first year students to experience what the SGA is all about by getting involved in committees, and special projects. If you have any questions, contact Zach Willis, FYI Advisor.

Vacancies
The SRB has vacancies, or open positions on the board. If you are interested in applying for a rep position, packets can be found in the SGA office front desk and are due Friday September 12th. If you have any questions, contact Denean Kelson, SGA Vice President.
