Mark – How many people were able to attend? It went really well. We had over 290 people. Decorations were cool. Any feedback?
Chris – People were wondering why we closed the tables 30 minutes early.
Mark – Yeah we know. The raffling process takes some time. Also, we did not want the people at the ticket tables to get attacked at the last minute.
Moo – I noticed we were short on dealers.
Mark – Yeah I take some responsibility for that. We should have talked to the SGA Members about possibly dealing.
