Event Review

#TNGBIGSHOW | Smash Mouth & Plain White T’s
Saturday, April 11th | Voyager Parking Lot

Setup 😊

Mark – There were some minor hiccups. I could not have been more proud of our organization. We dried the stage less than 45 minutes. You all should be proud of yourselves. The generator was out of our control. I know the board and I like the shows that do not go perfectly because that’s when the team really rallies.

Feedback for the event?

Feedback?

- VIPs jumping around on the stage without railings
  - We will definitely not have that next year. We know now that the railings do not work with the old stage.
- Barricading of the road and the line formation was good
- Make sure to put the equipment in a general area if you do not know where it goes
- Can we get pizza next year at 2am?
- More tarps
- Thank you Joe!
- Banner on the fence in voyager parking lot
- In the future, radios are not waterproof.
- Make sure to keep track of your security shirts
- Please do not try to protect the equipment if you are endangering your life
- Digital sign on Clyde Morris?
  - There were not a whole lot of public people in attendance

Chris – Are we keeping some of the sandbags?
Mark – Third of the sandbags will be ours
